FOREWORD

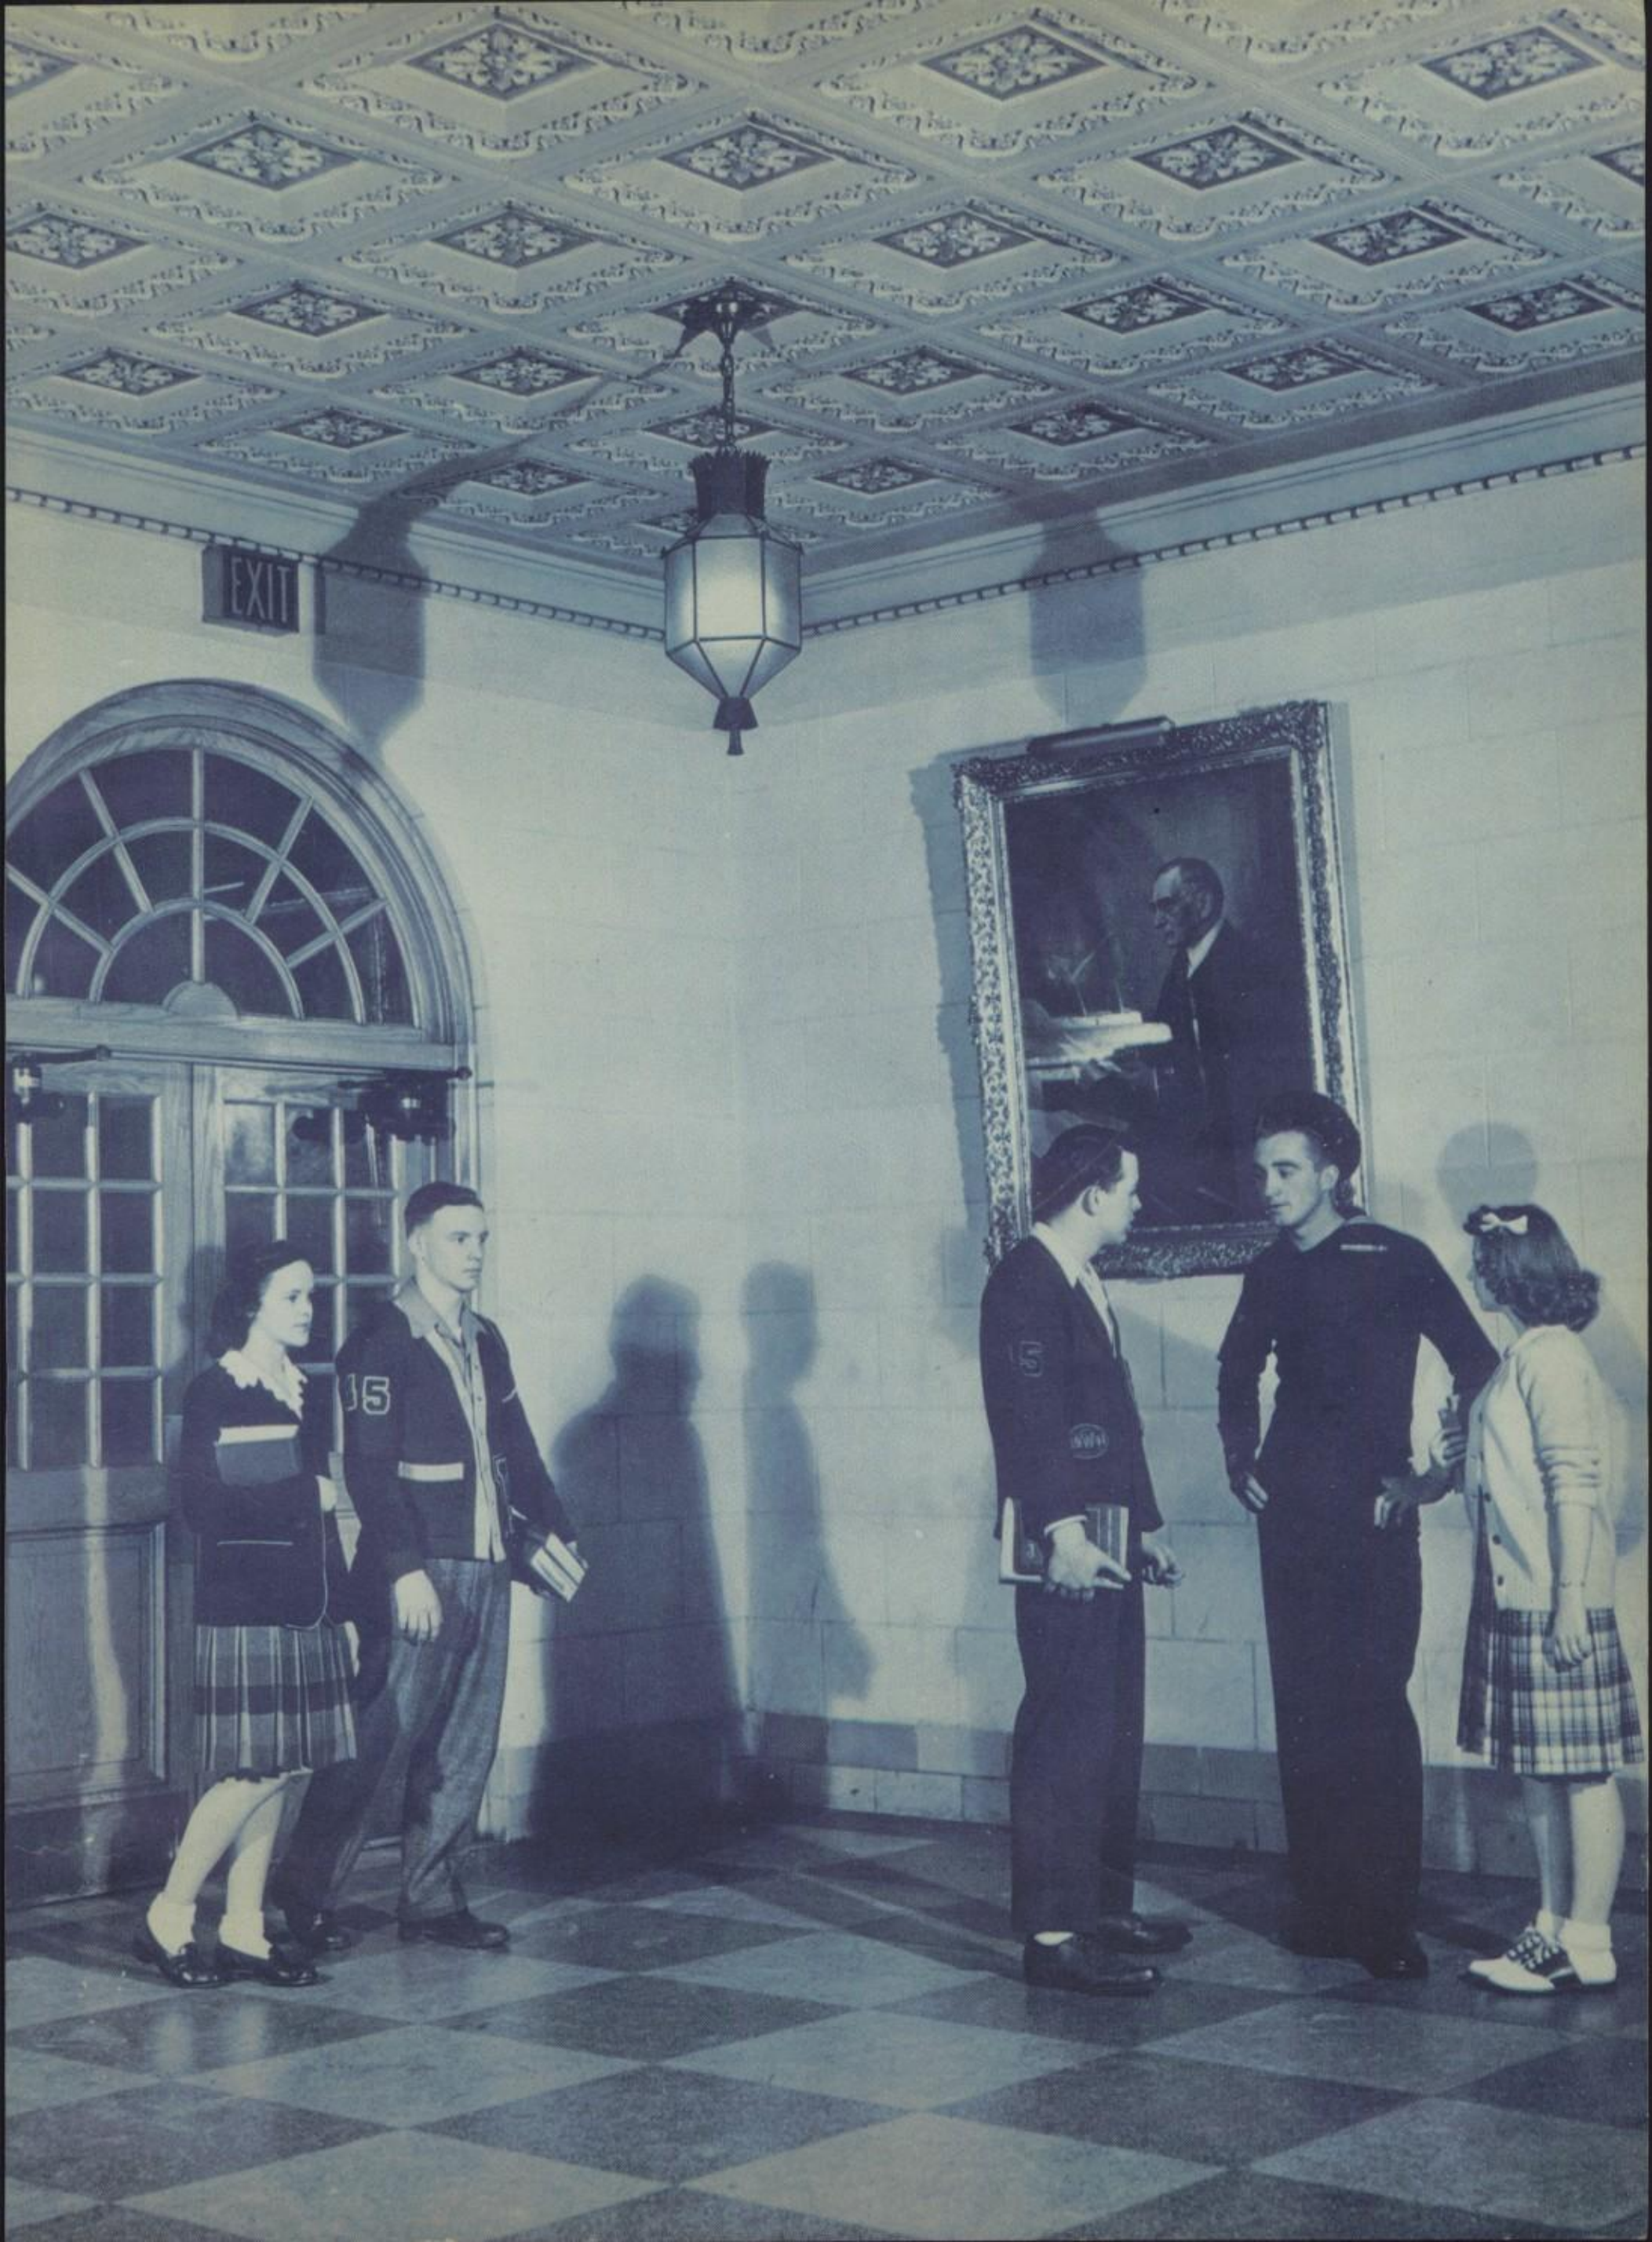

The students and faculty advisors of the 1945 TALISMAN staff are happy to present one hundred and seventy-six pages of pictures and words combined to make the "biggest and best" annual to bear the name—TALISMAN.

The TALISMAN has "grown up". It is truly "College Size" for the first time. Every book is encased in this beautiful "padded cover". All pictures are the finest professional photographs obtainable. No reprints are used in the TALISMAN.

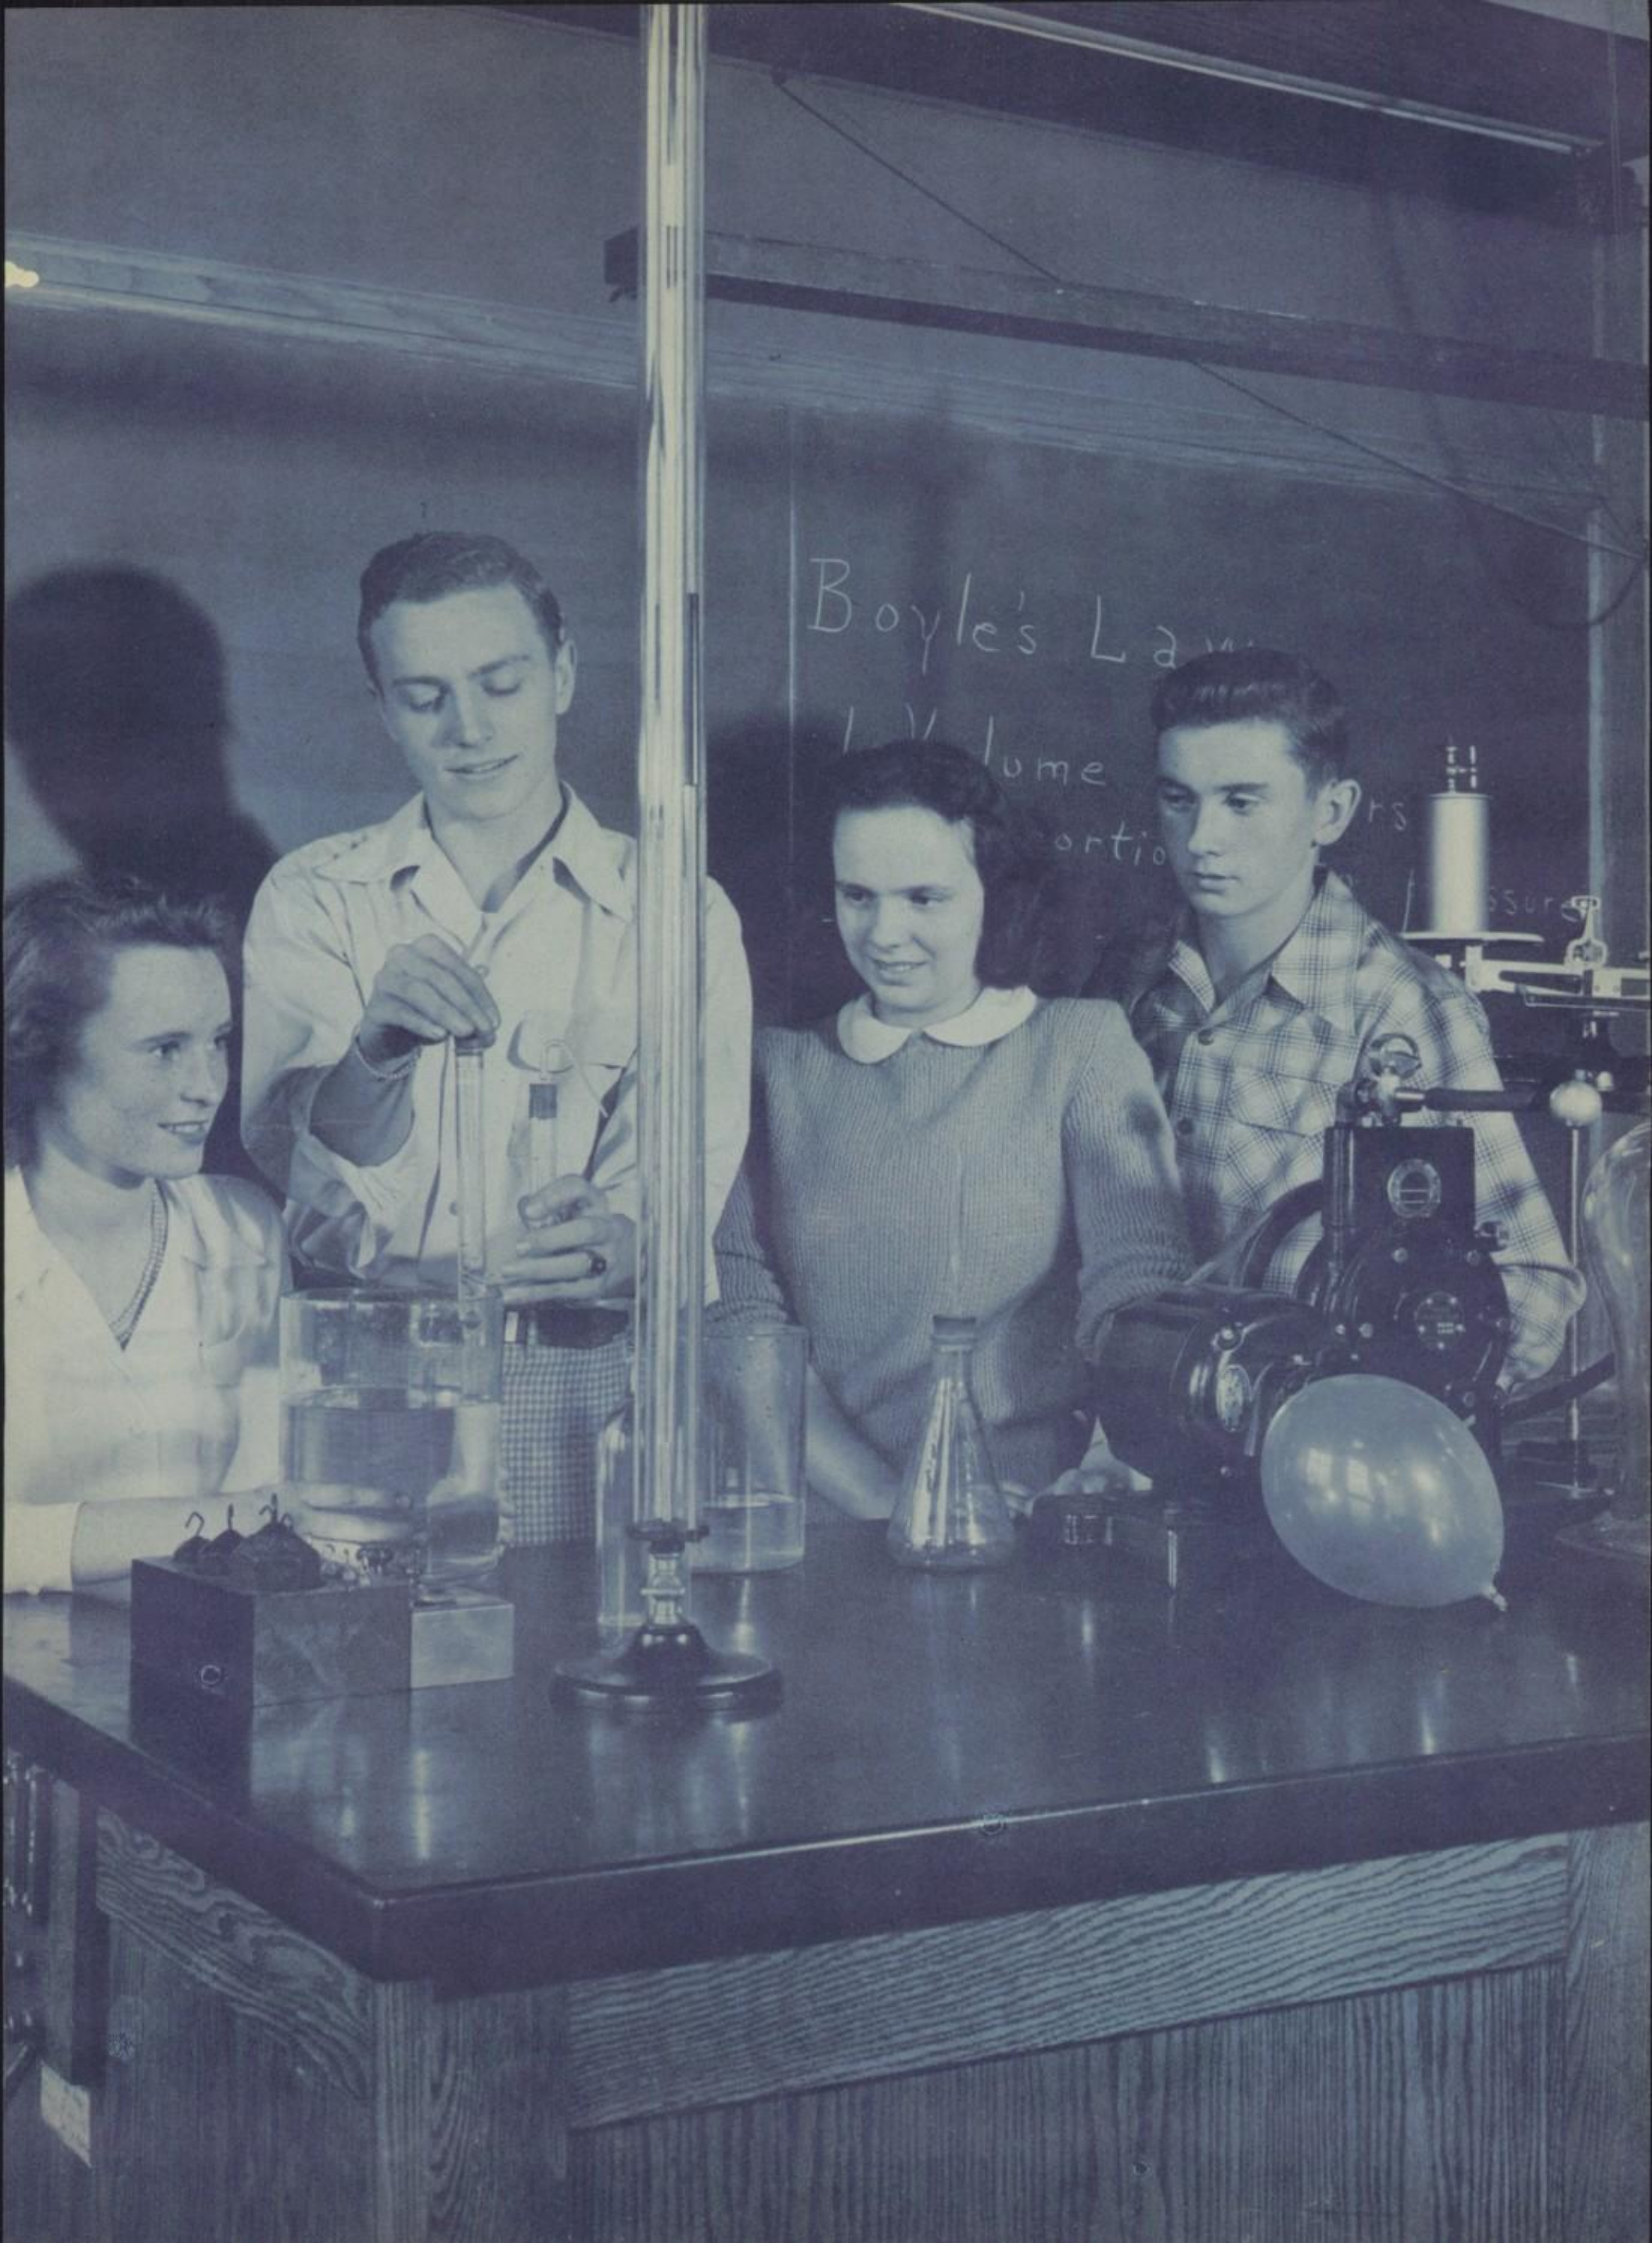

To maintain the standards of excellence associated with all undertakings of Woodruff High School, this third wartime TALISMAN represents an accomplishment of which we are deeply proud.

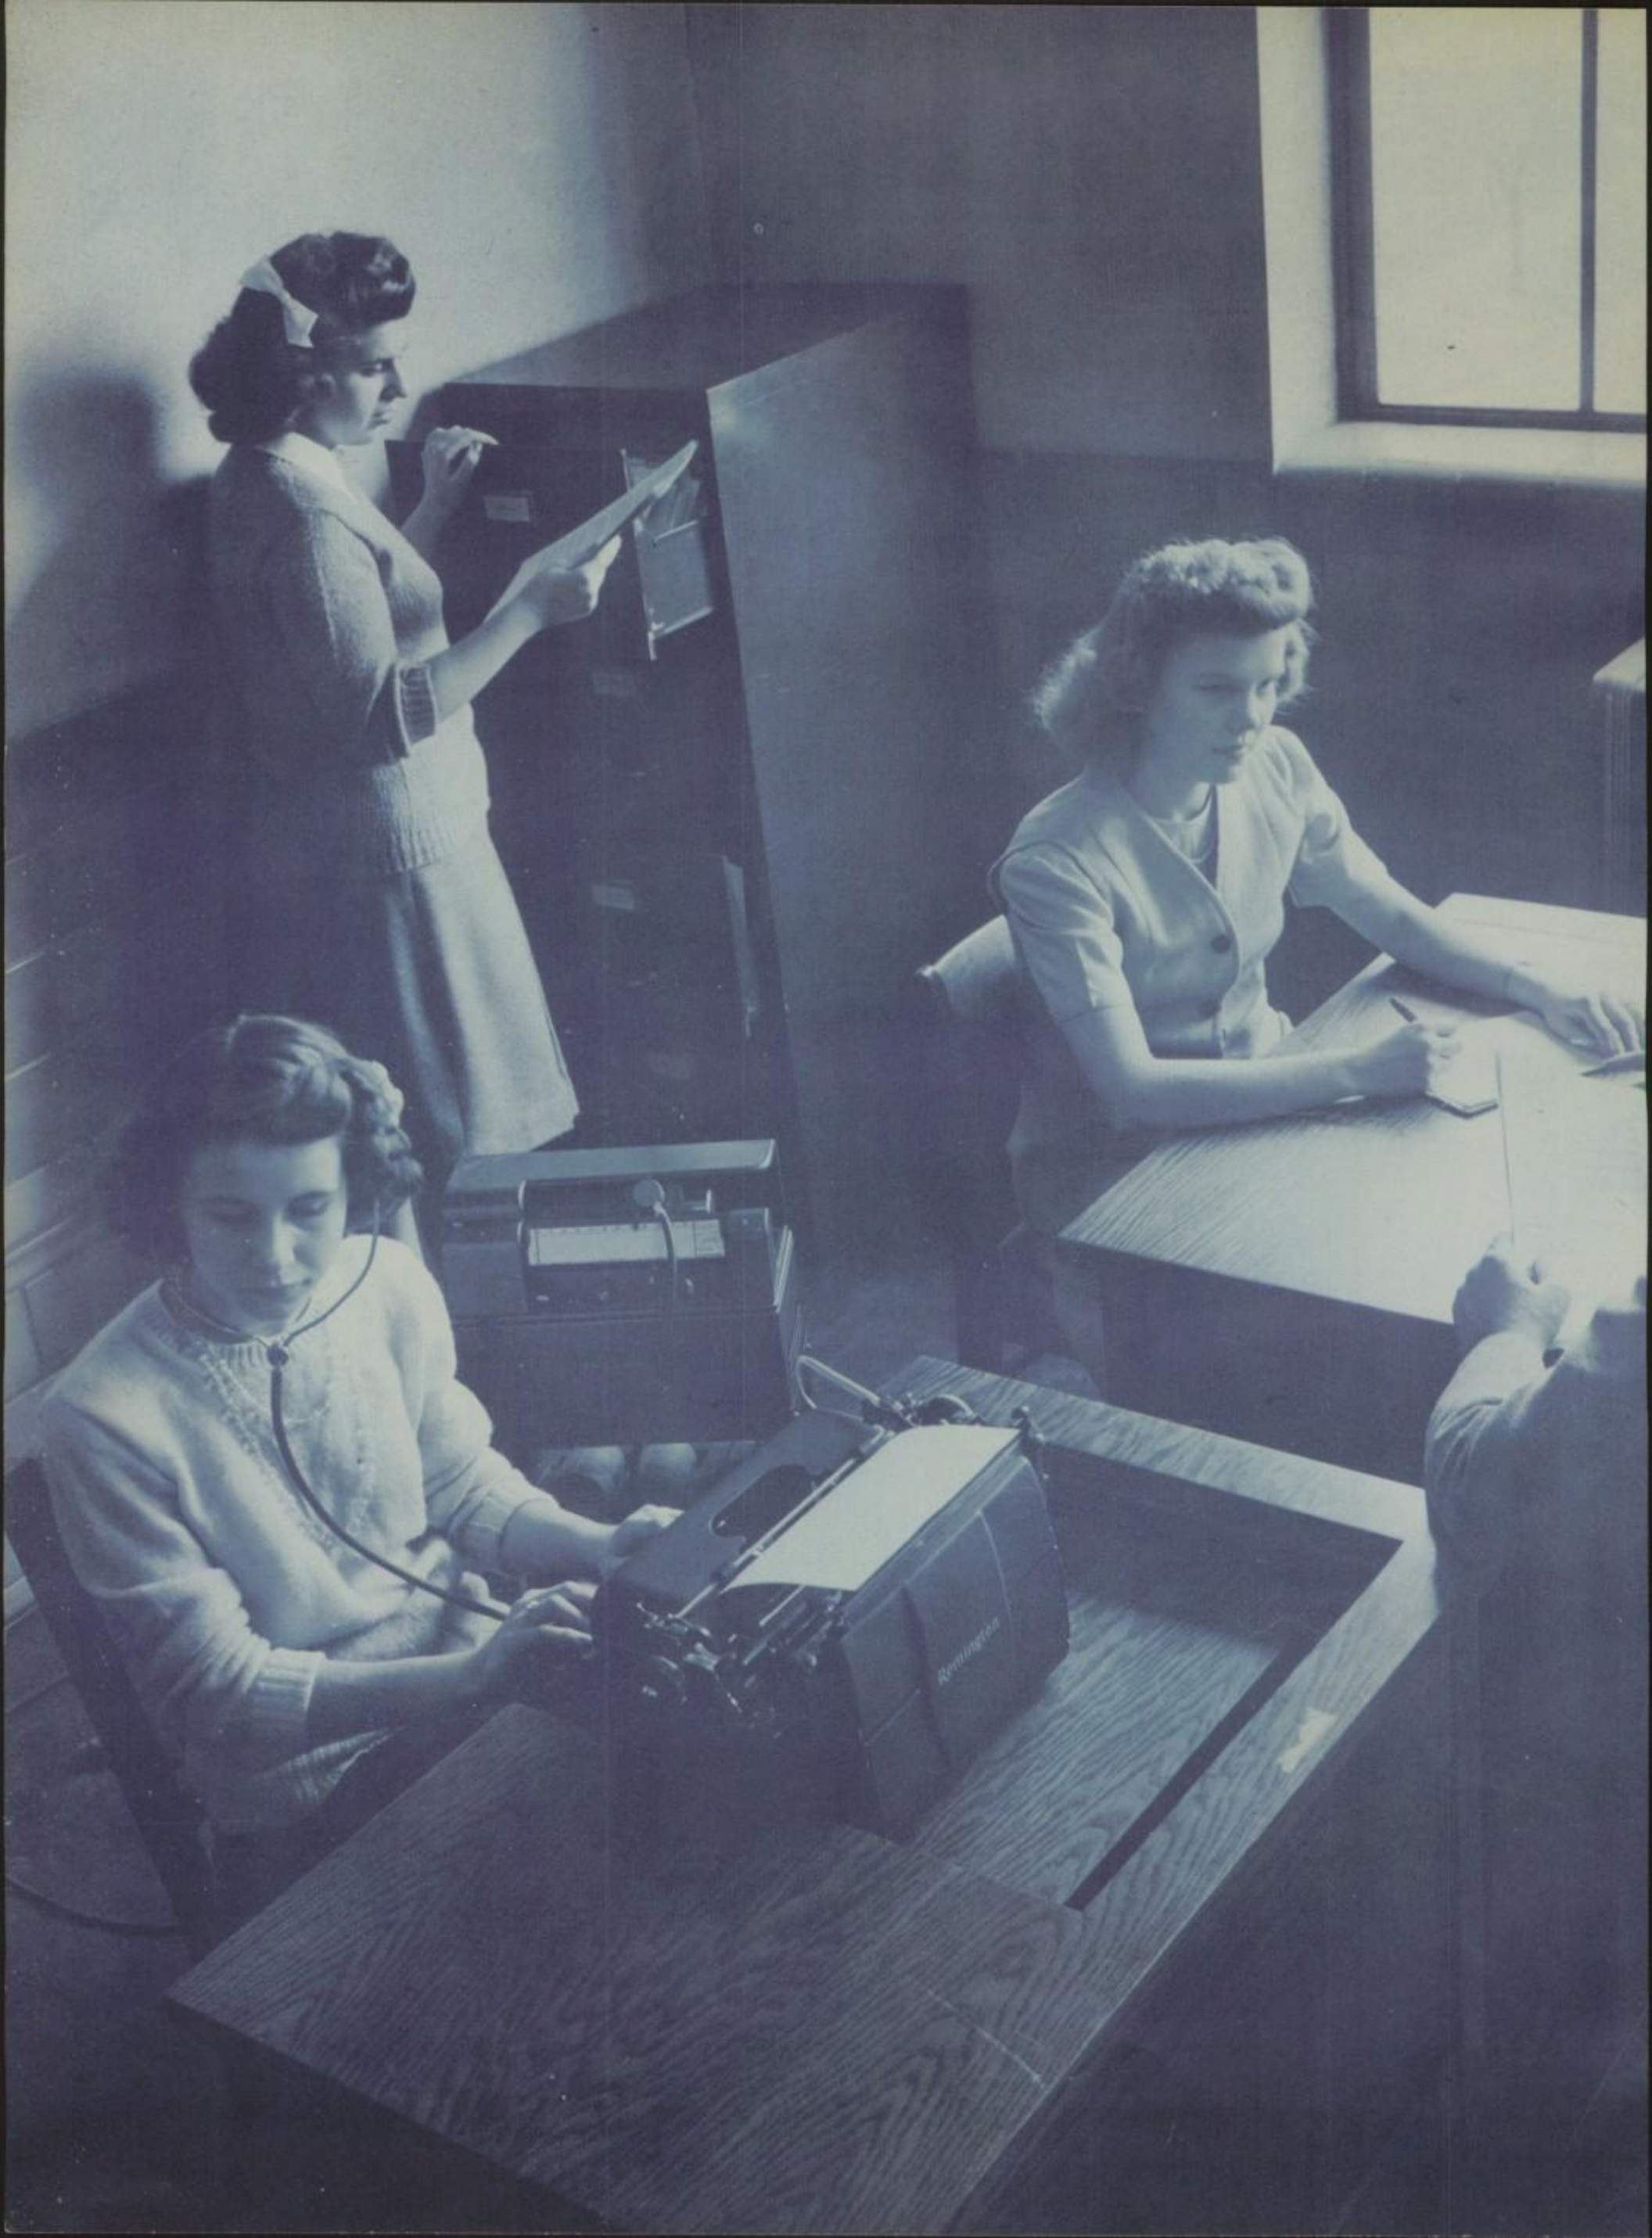

E. N. WOODRUFF HIGH SCHOOL

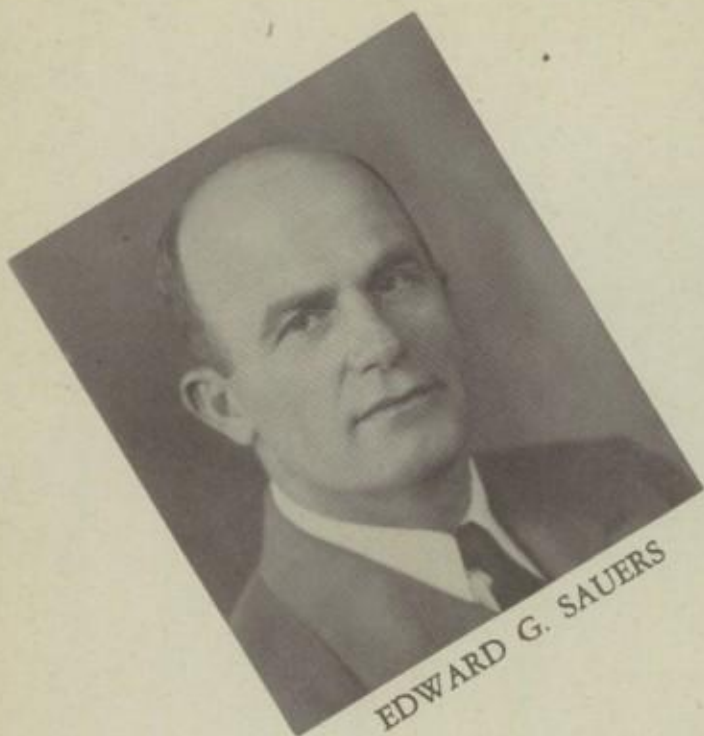

DEDICATION

The 1945 TALISMAN staff, and especially its Senior members, respectfully dedicate this volume to Miss Helen Nance.

Miss Nance's ability, ambition, and enthusiasm have won for her the respect and appreciation of the entire faculty and student body.

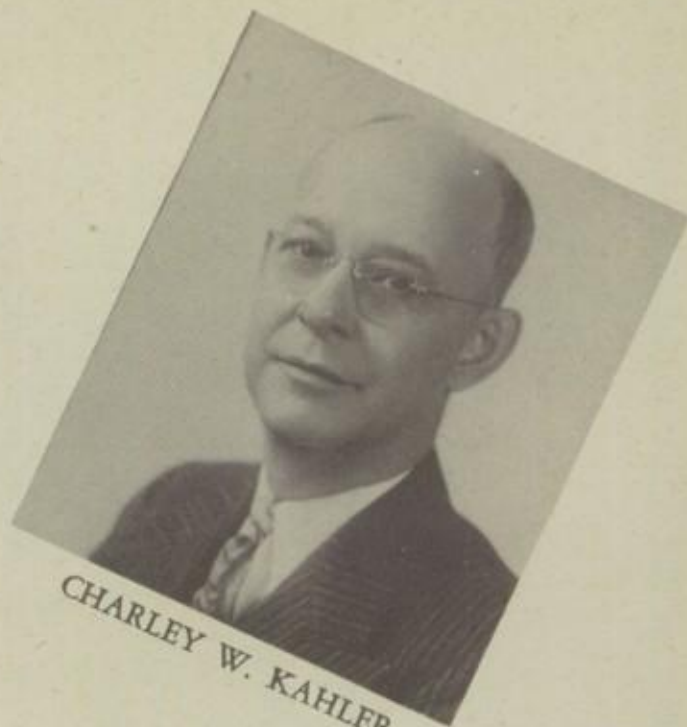

Her work as a teacher, leader, and Senior Counselor, merits the honor of this dedication.

The 1943-44 Warrior cinder squad completed a very successful season by tying with Pekin for the second place title in the Greater Peoria meet. Our relay team qualified for the state meet at Champaign by winning their event in the district meet. We are very proud of Mr. Koepping and his boys for the fine showing they made.

The outstanding record of the 1943-44 Warrior baseball nine was achieved only through the splendid cooperation of the whole team. Losing only to Manual, Canton, and Pekin, Woodruff defeated a highly favored Central nine in two encounters and with little difficulty vanquished their other opponents.

PUNT AND PASS

The name of the 1944-45 Woodruff grid team will go down in school history as winning more games than any previous Warrior squad, and also for the recognition given some of our players by their being selected for positions on All-State and All-City teams. Two of the games were lost by heart-breaking one-point margins, and for the first time since 1939 a Woodruff team scored on East Peoria. Hats off to the 1944-45 Warrior eleven!

FRESH.-SOPH. FOOTBALL

The record of the 1944-45 Woodruff Papooses will not be forgotten for some time to come. Their only defeat was suffered at the hands of a strong Morton varsity squad. We are proud of the hard work and effort of the team and their coach, Mr. Boucher, who in two years of coaching the Papooses, has lost only two games.

SHOOT AND SCORE

After defeating Spalding in a hard-fought battle, the Warriors suffered a heart-breaking loss in a thrilling over-time struggle with a strong Eureka five in the East Peoria regional tournament. Throughout the season, our boys showed us brilliant offensive and defensive strategy, and their splendid record of fourteen victories and eight defeats deserves a great deal of praise. Three cheers for Mr. Correll and his boys!

OFFSET LITHOGRAPHY

ALERT ADVERTISERS THE COUNTRY OVER ARE TURNING TO OFFSET LITHOGRAPHY AS THE NEWEST DEVELOPMENT IN THE REPRODUCTION OF MODERN ADVERTISING.

Creative artists prepare your preliminary sketches, suggest effective layouts, and do finished art work.

Especially built precision camera which records your copy on photo-film.

The film is carefully retouched and halftones or reduced illustrations stripped into position. The copy is now ready to be transferred to the plate.

The photo film is placed on the sensitized plate in a vacuum frame under pressure and a powerful arc light transfers the image to the plate.

Fast automatic presses print by the offset method at the rate of from 4,000 to 8,000 impressions per hour in any color on practically any stock.

BRADLEY is a non-sectarian, co-educational college with a program which unites a liberal education, preparation for a major interest, and experience in practical life under guidance and counsel. The carefully selected student body of **800** comes from thirty-two states and six foreign countries.

Bradley is on the approved list of the Association of American Universities and the American Association of University Women. It is accredited by the North Central Association of Colleges and Secondary Schools; by the University of Illinois with Class A standing, and by the Illinois State Department of Public Instruction.

Bradley has unusually large curricular offerings for a small college. Besides regular liberal arts courses, there are departments in business administration, home economics, engineering, industrial education, music, art, pre-medical, and nursing. It has a national reputation.

ATHLETICS

Bradley supports and is interested in inter-collegiate and intra-mural athletics. In addition to a schedule of football, basketball, baseball, track, and tennis, which is arranged with leading middle western colleges and universities, the division of intra-mural athletics provides a well organized program which gives meaning to the aim, "Sports for All." Such teams participate in all of the games mentioned above and in golf, archery, wrestling, hand ball, volley ball, swimming, tumbling and boxing.

EXPENSES

Bradley is not an expensive college for the student. It is endowed and is constantly increasing its resources in order that students will be required to pay as small a fraction of the cost of an education as possible. The tuition is very reasonable. This is especially noticeable when comparison is made with other standard college courses which do not offer as extensive technical, scientific, and laboratory courses.
